# Step 2. Enter batting and bowling records

To create a Batting Record click on 'Add Row'.

The screenshot shows a web interface with two tabs: 'Scorecard' (selected) and 'Commentary'. Below the tabs is a blue header 'Batting Details For Team SC Pro'. Underneath is a table with columns: 'Batsmen', 'Runs', 'Balls', '4s', '6s', 'dot', and 'SR'. The table is currently empty. A blue 'Add Row' button is located at the bottom right of the table area and is circled in red.

Select batsmen, Out How, Bowler, Supporter and enter runs, Balls, 4s, 6s.  
Click on 'save' to save record

The screenshot shows the same web interface as the previous one, but now the form is populated with input fields. The 'Batsmen' column has a dropdown menu with 'Select' and a downward arrow. The 'Runs' column has an empty input box. The 'Balls' column has an empty input box. The '4s' column has an empty input box. The '6s' column has an empty input box. The 'dot' and 'SR' columns are empty. To the right of the input boxes are two buttons: 'save' (circled in red) and 'cancel'. Below the input boxes are labels for 'Bowler:', 'Out How:', 'Supporter 1:', and 'Supporter 2:', each followed by a 'Select' dropdown menu. At the bottom center, there is a copyright notice '©Chauka.in'.
